ABOUT ME

Accounting graduated from Yogyakarta State University with professional internship experience in corporate finance. Proficient in a wide range of financial tools, including SAP, MYOB, Accurate, Atlas, and e-SPT. I specialize in data visualization using Tableau and Power BI to transform complex financial data into interactive dashboards for strategic decision-making. Possessing strong analytical skills, teamwork, and a proven ability to manage end-to-end accounting cycles and tax compliance. I am eager to leverage my technical expertise to contribute to efficient financial systems and corporate growth.

EDUCATION

Yogyakarta State University

Sep 2022 – May 2026

D4 Accounting

INTERNSHIP EXPERIENCE

Perusahaan Umum Percetakan Uang Republik Indonesia - Jakarta

Apr 2026 – Present

Corporate Strategy and Performance Intern

- Contributed actively to the formulation and drafting of corporate Service Level Agreements (SLA) to optimize operational efficiency and standardize performance targets.
- Facilitated effective cross-divisional coordination and communication to align inter-departmental workflows, deliverables, and strategic targets.
- Updated OMTI (*Objective, Measurement, Target and Initiative*) performance metrics meticulously to monitor cross-divisional corporate achievement and ensure structural alignment with long-term company objectives.
- Compiled strategic evaluation summaries to assist management in reviewing key performance indicators across multiple business units.

PT. Telkomunikasi Indonesia - Jakarta

Aug 2025 – Jan 2026

Enterprise Business Strategy Intern

- Conducted in-depth financial performance analyses of key industry competitors, identifying market trends, cost structures, and competitive positioning to support executive decision-making.
- Actively collaborated with senior strategists in formulating the comprehensive 2026 Corporate Work and Budget Plan (*Rencana Kerja dan Anggaran Perusahaan / RKAP*), aligning departmental financial targets with corporate growth goals.
- Engineered and deployed an interactive CFU Enterprise Dashboard utilizing Power BI, automating portfolio performance tracking and profitability benchmarking to streamline executive-level reviews.

PT. PLN (Persero) UP3 Yogyakarta - Yogyakarta

Jun 2025 – Jul 2025

General and Finance Affairs Department Intern

- Verified high-volume service payment requirement documents meticulously, ensuring strict adherence to internal financial standard operating procedures (SOPs) and corporate compliance standards.
- Evaluated departmental Key Performance Indicators (KPIs) and monitored operational performance metrics efficiently through integrated enterprise resource planning via the SAP system.
- Performed daily checks and detailed reconciliations of complex customer receivables within the AP3T (*Aplikasi Pelayanan Pelanggan Terintegrasi*) system to minimize financial discrepancies.

- Recorded financial notes systematically and inputted monthly cash expenditure data accurately into the ApKeu application.
- Handled end-to-end administration of tax withholding certificates (*bukti potong pajak*) and accelerated the processing of vendor invoice uploads to maintain optimal vendor relations.
- Partnered closely with the Team Leader to execute full-cycle corporate accounting administrative tasks, monthly ledger checks, and financial reporting preparations.

PT. ASKRINDO Yogyakarta Branch - Yogyakarta

Apr 2025 – May 2025

General and Finance Affairs Department Intern

- Executed routine monthly bank statement reconciliations for multiple accounts, monitored cash-in-bank liquidity positions, and conducted physical cash counts (*Cash Opname*) with zero variance.
- Consolidated detailed cash and non-cash expenditure reports, cross-verifying them against employee attendance and operational cost data for internal audit preparations.
- Verified documentation and eligibility for the cancellation of KUR (*Kredit Usaha Rakyat*) credit insurance policies to ensure data integrity and compliance with regulatory frameworks.
- Calculated and reconciled monthly corporate tax liabilities—including PPh 21, PPN (VAT), and PPh Article 4(2)-ensuring timely tax reporting and full regulatory compliance.
